| TI                     |

 There will be NO makeup days. This is a fast-paced, intensive course. Full-time attendance is critical to student success and a requirement for completion.

#### **COURSE CONTENT**

The nursing assistant program at WVC provides the basics in care-giving skills for entry-level employment in healthcare. It includes instruction of personal care skills, roles and responsibilities of nursing assistants, communication skills, and safe and emergency procedures. Upon successful completion and evaluation by nursing faculty, students are eligible to take the licensure exam for nursing assistants under OBRA, fulfilling requirements as set forth by the State of Washington for healthcare professionals. This course, or its equivalent, meets the requirements as a prerequisite for entry into the Wenatchee Valley College Nursing Program.

The nursing assistant course consists of classroom hours and clinical instruction that will take place in the college lab and in one of the long-term care facilities that contract with Wenatchee Valley College for this purpose. The times for clinical training will generally be the same as the classroom hours.

- The student must demonstrate competency of knowledge at a passing rate of 80% -- compiled score on exams, quizzes, clinical competency and written skills/personal learning skills.
- The student must demonstrate competency of skills in the practice lab and in the clinical setting.
- Attendance is mandatory for successful completion of the course. There will be NO makeup days.
- This course includes 7 hours of required HIV/AIDS education, as required by Washington State. A certificate will be provided for completion of this training. Participation in this training is **required**, even if you've already completed it.
- This course includes CPR training for healthcare providers and First Aid. CPR and First Aid cards will be issued
  for completion of this training. Participation in this training is required, even if you already have valid CPR
  and/or First Aid cards.
- A certificate will be provided upon successful completion of this course.

#### **COURSE SUPPLIES**

Students will need to provide:

- White scrub pants, as described below. Any color of scrubs (tops and bottoms) may be worn during
  classroom/lab time, but white scrub bottoms must be worn at the clinical facility. A WVC scrub top will be
  provided for clinicals.
- "Journal" type notebook and pen/pencil
- · Watch with a second hand
- Suggested text: American Heart Association, Health Providers CPR. This will be loaned during the CPR portion of the course.

#### **CLINICAL EXPERIENCE**

The student must be in full uniform at the clinical facility. Students who arrive for clinical experiences lacking full uniform requirements will be sent from the clinical area and therefore, not able to complete the class.

- A Wenatchee Valley College Nursing Assistant Student scrub top will be provided to each student prior to the first clinical day. This scrub MUST BE worn every day of the clinical experience with white scrub pants. The top MUST BE returned at the end of the class. If your scrub top is lost or damaged, you will be charged \$50 and your certificate will be withheld until full payment is made.
- Clean, white scrub pants.
- The uniform is to be washed daily to control cross infection and odors.
- Clean white shoes. No open-toed or open-heeled shoes. Clogs must have a back strap. Neutral socks/hose/undergarments. White athletic shoes are acceptable as long as the laces are white and the shoes are kept clean.
- Jewelry is to be kept to a minimum as a safety measure.
- Pierced body parts are considered a hazardous risk to the student in the clinical setting and are unacceptable, with the exception of one small stud-like earring on each earlobe.
- Tattoos must be covered.
- No artificial nails; nails should be short and without polish.
- Hair should be clean and secured in a manner to prevent it from falling into the face.

Students are expected to maintain a professional appearance as representatives of the WVC Nursing Assistant Program.

Refunds will not be issued less than 72 hours before the first class day. If at the end of the course you do not pass the clinical portion you will not receive a certificate of completion from the State of Washington and no refund will be given.

I certify with my signature that I have read and understand the above requirements and that the information above, and documentation submitted pertaining to me, is complete and accurate.
