Otherwise, complete Section B of this form (including worksheets on page 2), sign and return it to the financial aid office.

Section B:

If you did not receive any of the funding sources in Section A to pay for living expenses, or if you received only Food Stamps, please complete all of Section B, including both worksheets on page 2. If you have any questions, please contact the financial aid office for assistance.

We assume that every person must have some basic living expenses and income to cover those expenses. If someone is paying your bills, this amount would be placed under "expenses paid by others" in the income grid. ****NOTE: If \$0 income and expense is reported and no explanation as to why, you will automatically be assigned a standard amount for both income and expenses, which may be higher than your actual income/expenses.**

REQUIRED: Complete the Expense worksheet detailing your ACTUAL 2024 household expenses (ACTUAL EXPENSES/BILLS PAID BY YOU OR SOMEONE ELSE -- NOT what you think you need in the coming year, but what was actually paid in 2024). **Do not include debt that you did not actually pay.** For this form, your Expenses paid should not total more than your income, as you cannot pay for something if you do not have the resources to do so.

REQUIRED: Complete the Resource worksheet detailing resources used to meet these living expenses. Tell us how and who paid for the expenses that you detailed on the Expense worksheet. You may add an additional statement to explain unusual circumstances.
